Dear Friends:

WOW! I don't think any of us would have believed a year like 2020 if we weren't experiencing it for ourselves. But one thing that has remained unchanged in these challenging times is our commitment to the communities and people we serve. The unexpected issues that we are facing in 2020 have caused us to re-examine and re-evaluate who we are and what we do. We are proud to report that not only have we continued to serve through our existing programs this year, but we have also created a few new ways to fulfill the very real needs that people are experiencing.

Regardless of any circumstances, our dedication and heartfelt desire to serve those who need us is stronger than ever. Along with new challenges presented by the Covid-19 pandemic, such as increased food insecurity, loss of employment, and a rise in child abuse and neglect, unspeakable circumstances such as childhood cancer, traumatic accidents, and unforeseen hardships unfortunately still exist. Needs are greater than ever before, and we're committed to meeting those needs and making an impactful difference.

One thing is certain...we couldn't do any of this without YOU. You have supported us and believed in us and our mission. We are all working together to provide hope and make lasting change. Thank you for continuing to partner with us to serve and give in bigger ways than ever before.

Sadly, we won't be able to gather together at our home for our annual Legends Party in December due to the Covid-19 guidelines that are in place. However, we do look forward to seeing everyone at the Super Bowl Party on February 7, 2021.

With much love and thanks,

Kim and Tim Hudson
