

Dear Friends,

It's hard to believe that we are in the midst of the Hudson Family Foundation's fourteenth year. I remember the excitement we felt back in 2009 when we knew, without a doubt, that God was calling us to create an organization that would specifically meet the needs of children and families that we were seeing almost on a daily basis. I'm so thankful that we took that leap of faith, and I'm even more grateful that after fourteen years, we are still as motivated to serve our community through our foundation and completely confident that this continues to be God's purpose for us. One of the best developments over the years has been the distinct honor of sharing our heart and vision with people like you and gaining supporters and friends who share our desire to serve others and truly make a difference for those who need us. We are as passionate about and committed to the foundation as we were in the first year, and we're so thankful to each of you, because together we are infinitely more impactful than we could ever be on our own.

With love and gratitude,
Kim and Tim

From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked.
