

HUDSON FAMILY FOUNDATION

2024-2025

OUR MISSION

The Hudson Family Foundation is committed to identifying areas of need in our communities, including children and families in need of physical, emotional, and/or financial assistance. We strive to serve these children and families through our programs, in the hope that we will make a positive and long-lasting impact in their lives and in our communities.

OUR PHILOSOPHY

The Hudson Family Foundation is based on our Christian values and our strong belief that we are grateful for our many blessings, and it is our responsibility to give back to those in need.

DEAR FRIENDS,

It's hard to believe that we are in the midst of the Hudson Family Foundation's fifteenth year. I remember the excitement we felt back in 2009 when we knew, without a doubt, that God was calling us to create an organization that would specifically meet the needs of children and families we were seeing almost on a daily basis. I'm so thankful that we took that leap of faith, and I'm even more grateful that after fifteen years, we are still as motivated to serve our community through our foundation, completely confident that this continues to be God's purpose for us.

One of the best developments over the years has been the distinct honor of sharing our heart and vision with people like you, gaining supporters and friends who share our desire to serve others and make a difference for those who need us. We are as passionate about and committed to the foundation as we were in the first year, and we're so thankful for each of you. Together, we are infinitely more impactful than we could ever be on our own.

With love and gratitude,

Kim and Tim

From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked.
